

# RAFAEL EDUARDO MELO RODRÍGUEZ

## COMPUTER ENGINEER

### ABOUT ME

I'm a hardworking and motivated computer engineer. Who had acquired knowledge in the field through the study of Computer Engineering at degree level, various courses taken and previous work experience. Now I took a new challenge in my professional life, currently I'm studying a Software Development career. I am looking for a position in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organization.
